

After success of the initial two International Conferences – SUSTAINABLE POSTHARVEST AND FOOD TECHNOLOGIES - INOPTER, the National Society of Processing and Energy in Agriculture (PTEP) is organizing in 2013:

THIRD INTERNATIONAL CONFERENCE
SUSTAINABLE POSTHARVEST AND FOOD TECHNOLOGIES
INOPTER 2013
April 21th – 26nd, 2013
AND
JUBILEE XXV NATIONAL CONFERENCE
PROCESSING AND ENERGY IN AGRICULTURE
PTEP 2013
April 21th – 26nd, 2013
INVITATION FOR PAPERS

National Society of Processing and Energy in Agriculture (PTEP) and Faculty of Agriculture, the University of Novi Sad are delighted to invite you to participate in 3rd International conference

SUSTAINABLE POSTHARVEST AND FOOD TECHNOLOGIES

Conference will be held **April 21nd – 26th 2013**. The site where the Conference is going to be held is Vrnjačka Banja. It is the biggest spa in Serbia located in central part of country. Hotel "Zvezda" in which the Conference is going to take place is a three-star hotel.

Conference supported by ISEKI - Food Association (European Association for Integrating Food Science and Engineering Knowledge into the Food Chain).

The conference is also supported by the following national institutions:

***Institute of Food Technology, Novi Sad,
Maize Research Institute "Zemun Polje", Belgrade,
Institute of Field and Vegetable Crops, Novi Sad,
Faculty of Technical Science, Novi Sad and
Faculty of Technology, Novi Sad.***

The presentations cover the following topics:

1. Advances in postharvesting technologies of agricultural products,
2. Energy efficiency,
3. Advances in seed processing technologies,
4. Sustainable food technologies (economy, quality, energy, social aspects, integral and organic production...)
5. Technical and technological aspects of feed safety,
6. Advances in food technologies and aspects of food and feed chain quality,
7. Physical properties of biomaterials and food,
8. Trends of development in agriculture,
9. Renewable energy sources,
10. Management and process control and

11. Heating and air conditions.

SCIENTIFIC COMMITTEE

INTERNATIONAL MEMBERS:

- Prof. Dr. Costas Akritidis, Greece, Emeritus Professor, Department of Hydraulics, Soil Science and Agric. Engineering. School of Agriculture. University of Thessaloniki Greece - *Drying*,
- Prof. Dr. Silva Cristina, Portugal, Portuguese Catholic University, President of I ISEKI-Food Association - *Design and Optimization of Food Process Conditions*,
- Prof. Dr. Harris Lazarides, Greece, Head of Department Food Science and Technology - *Food Processing & Engineering*,
- Dr. Gerhard Schleining, Austria, BOKU, Vienna, Secretary General of ISEKI-Food Association - *Quality Management, Functional Properties of Food and Food Technology*,
- Prof. Dr. Tajana Krička, Croatia, Faculty of Agronomy, Zagreb - *Postharvesting, Biomass and Biofuel from Agriculture*,
- Prof. Dr. Zuzana Hlavačova, Slovakia, Department of Physics, Faculty of Agricultural Engineering, Slovak University of Agriculture in Nitra, Vice-Dean of Faculty of Agricultural Engineering - *Physical Properties of Food and Agricultural Materials*,
- Prof. Dr. Zsuzsanna Fustos, Hungary, Head of Department - Central Agricultural Office; Corvinus University of Budapest; ISHS - President of Vegetable Section in Hungary - *Testing of Food and Agricultural Products*,
- Prof. Dr. Marko Dalla Rosa, Italy, President of the Degree Course Committee on Food science and Technology at University of Bologna, site of Cesena, Member of the Advisory Committee Of ISEKI – *Food Processing*
- Prof. Dr. Richard Gladon, USA, Department of Horticulture, Iowa State University - *Postharvest technology of horticultural products*,
- Prof. Dr. Costas Biliaderis, Greece, Head of Laboratory of Food Chemistry - Biochemistry, Dept. of Food Science & Technology, Faculty of Agriculture, Aristotle University of Thessaloniki - *Food Chemistry*,
- Dr. Vlasta Vožarova, Slovakia, Nitra, Head of Department of Physics, Faculty of Agricultural Engineering, Slovak University of Agriculture in Nitra - *Physical Properties of Food and Agricultural Materials*,
- Prof. Dr. Vangelče Mitrevski, FYR Macedonia, Head of Department of Mechanical Engineering, Faculty of Technical Sciences, Bitola - *Drying*,
- Dr. Stavros Vougioukas, Greece, Dept. Of Hydraulics, Soil Science and Agricultural Engineering, Aristotle University of Thessaloniki - *Automatic control and sensing*,
- Prof. Dr. Selim Škaljć, Faculty of Agriculture, Head of Institute of Agricultural Engineering, Sarajevo, Bosnia and Herzegovina – *Agricultural Engineering*.

NATIONAL MEMBERS:

- Prof. Dr. Babić Mirko, Faculty of Agriculture, Novi Sad, Head of Laboratory of Biosystem Engineering, General Secretary of National Society of Processing and Energy in Agriculture - *Postharvesting, Physical properties of Agricultural Materials, Renewable Energy*,
- Prof. Dr. Babić Ljiljana, Faculty of Agriculture, Novi Sad, Vice-president of National Society of Processing and Energy in Agriculture - *Postharvesting, Physical properties of Agricultural Materials, Renewable Energy*,
- Prof. Dr. Vladeta Pavasović - Faculty of Agriculture, Belgrade (retired) – *Drying*,
- Dr. Milica Radosavljević, Maize Research Institute “Zemun Polje”, Belgrade, Vice-president of National Society of Processing and Energy in Agriculture - *Cereal processing and food quality*,
- Prof. Dr. Dragan Škorić, Member of Serbian Academy of Science and Arts - *Sunflower Breeding and Production Technology*,
- Prof. Dr. Anđelko Bajkin, Faculty of Agriculture, Novi Sad - *Horticulture Engineering*,
- Dr. Jovanka Lević, Institute of Food technology, Novi Sad - *Feed processing and quality*
- Prof. Dr. Dušan Milić, Faculty of Agriculture, Novi Sad – *Management and Economy of Fruit and Grape production*,
- Prof. Dr. Filip Kulić, Faculty of Technical Science, Novi Sad - *Automatic control*,
- Prof. Dr. Dragan Marković, Mechanical Faculty, Belgrade - *Designing in Agricultural Engineering*
- Prof. Dr. Miloš Tešić, Faculty of Technical Science, Novi Sad, Member of Vojvodina Academy of Sciences and Arts - *Agricultural Engineering, Renewable energy*,
- Dr. Milka Vujaković, - *Seed production and testing*,
- Dr. Ivan Pavkov, Faculty of Agriculture, Novi Sad, Serbia - *Postharvesting, Physical Properties of Agricultural Materials, Renewable Energy*,

Organizing Committee Staff: Danka Dujovic, President, Dr. Mirko Babic, Secretary General, Dr. Ivan Pavkov, Secretary Technical and Milivoj Radojcin, MSc, Secretary Technical.

Abstracts should be submitted **by January 10th, 2013** online via e-mail: mbab@polj.uns.ac.rs. The abstracts are required to be in English; 2000-3000 characters (include spaces). They will be refereed by the Scientific Committee. Acceptance of the selected abstracts will be done by January 20th, 2013. Full-length

papers will be published in official national Journal on processing and energy in agriculture, after reviewing. **The deadline for the full papers is February 20th, 2011.** Address of journal: <http://www.ptep.org.rs/Sajt%20engleski/casopisen.html>. The papers should be written in English in accordance with the instructions for authors (www.ptep.org.rs).

Authors will have the opportunity to publish the complete article in proceedings if they so wish. In this case, the authors will provide upon acceptance of a version of 3-5 pages that will be peer-reviewed and published in the Conference Proceedings. The website of the Society will be given instructions PTEP for writing these papers. **Deadline for it: Mart 1st 2013.**

Authors of articles in the field of drying phenomena have the opportunity to publish in a special issue of the journal **Thermal Science**, with impact factor of 0.779 for 2011 and are located at 34th place out of 52 in the corresponding area on the ISI list (Journal Citation Report). Society PTEP is coordinator of this special issue of the journal.

Conference languages are English and Serbian.

Preliminary information on the conference organization

Conference fee

Participants	Before April 1 st , 2011	After April 1 st , 2011
Regular participants	50 €	60 €
Members of ISEKI-FA	45 €	50 €
Young scientist (not exceeding the age of 35)	30 €	35 €
Students	20 €	25 €

Contact person - Ivan Pavkov; ivan@polj.uns.ac.rs; Phone: +381 21 4853318

Accommodation: "Zvezda" hotel – three-star category. Information on the accommodation prices: single room - 30 € and double room - 25 € for a full board per person. (<http://www.htpfontana.com/>). The next conference circular will provide further information on accommodation and transfer.

Conference excursion and picnic party (optional): Price - 20 Euros. Provided a bus tour of some of the cultural and historical monuments from the environment and then go to the mountain Goc in the ethnic restaurant "Horizont". There will be served an exclusive local picnic lunch with music and fun. The second information about the conference will be final and detailed information on accommodations, tours, gala dinner and transport to Vrnjačka Banja.

For any information that is related to the Conference, please do not hesitate to contact:

Agricultural Faculty, Department of Agricultural Engineering
