About the Summit

The Sustainable Foods Summit is a series of international summits that focuses on the leading issues the food industry faces concerning sustainability and eco-labels. The 6th European edition of this executive summit focuses on **sustainable proteins**, **new technologies** and **clean label developments**. The summit will discuss key advances in these focal areas in a high-level forum.

Like previous events organised by Organic Monitor, the summit will bring together **key stake-holders** in the food industry that include food manufacturers, ingredient & raw material suppliers, retailers & distributors, industry organisations & certification agencies, researchers & academics, investors, etc.
